| Category                               | Single Row                                |
| Pitch (mm)                             | 8.25                                      |
| Color                                  | Black (default)                           |
| Connection method                      | Screw connection                          |
| Type of locking                        | Without                                   |
| Pin demensions (Thickness x Width)(mm) | 0.8X1.2                                   |
| PCB hole diameter (mm)                 | 1.7~1.8                                   |
| Level                                  | Single Row                                |

#### Material information

| Insulation material                          | PA66         |
|--|--------------|
| Insulation material group                    | I            |
| Flame retardant rating , compliant with UL94 | V0           |
| Conductor material                           | Copper Alloy |
| Plating of conductor surface                 | Tin PLATED   |
