The final product is made according to engineering drawing.

### **Product Description**

Pitch: 3.50mm, 300V, 8A

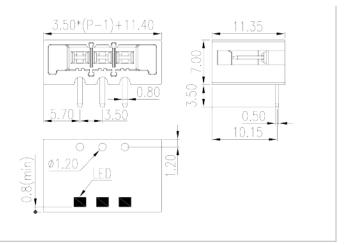

#### General information

| Short description                      | PCB Connector – Socket, Wave soldering |
|--|--|
| Category                               | PCB Connector – Socket                 |
| Pitch (mm)                             | 3.5                                    |
| Color                                  | Black (default)                        |
| Type of locking                        | With lock flange                       |
| Soldering method                       | Wave soldering                         |
| Length (mm)                            | 3.50*(P-1)+11.4                        |
| Width (mm)                             | 11.35                                  |
| Height (mm)                            | 7                                      |
| Pin demensions (Thickness x Width)(mm) | 0.5x0.8                                |
| PCB hole diameter (mm)                 | 1.2                                    |
| Number of positions                    | 02P~14P                                |
| Level                                  | Single level                           |

#### Material information

| Insulation material | PA |
