

# ECHP381V-XXP

PCB Terminal Blocks > PCB Connector-Socket

Date:2025-09-22Version:V1

The web catalog is for reference only. Dinkle remains the right of product modification and engineering change of the design.

The final product is made according to engineering drawing.

#### **Product Description**

Pitch: 3.81 mm, 300V, 8A

#### General information

| Short description                      | PCB Connector – Socket, Wave soldering |
|--|--|
| Category                               | PCB Connector – Socket                 |
| Pitch (mm)                             | 3.81                                   |
| Color                                  | Green (default)                        |
| Type of locking                        | With threaded flange                   |
| Soldering method                       | Iron soldering                         |
| Length (mm)                            | 3.81*(P-1)+18.2                        |
| Width (mm)                             | 16.2                                   |
| Height (mm)                            | 11                                     |
| Pin demensions (Thickness x Width)(mm) | 0.8x2.9                                |
| Number of positions                    | 02P~24P                                |
| Level                                  | Single level                           |
