

# 0225-11XX

PCB Terminal Blocks > PCB Connector-Socket

Date:2025-09-17Version:1.2

The web catalog is for reference only. Dinkle remains the right of product modification and engineering change of the design.

The final product is made according to engineering drawing.

### **Product Description**

Pitch: 3.50 mm, 300V, 8A

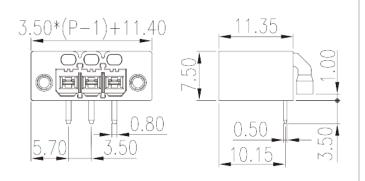

#### General information

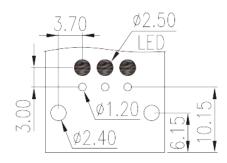

| Short description                      | PCB Connector–Socket, Wave soldering |
|--|--------------------------------------|
| Category                               | PCB Connector–Socket                 |
| Pitch (mm)                             | 3.50                                 |
| Color                                  | Black (default)                      |
| Type of locking                        | With threaded flange                 |
| Soldering method                       | Wave soldering                       |
| Length (mm)                            | 3.50*(P-1)+11.4                      |
| Width (mm)                             | 11.35                                |
| Height (mm)                            | 7.5                                  |
| Pin demensions (Thickness x Width)(mm) | 0.8x0.5                              |
| PCB hole diameter (mm)                 | 1.2                                  |
| Number of positions                    | 02P~24P                              |
| Level                                  | Single level                         |

#### Material information

| Insulation material | PA |
|---------------------|----|
|---------------------|----|

| Insulation material group                               | I                 |
|---|-------------------|
| Flame retardant rating , compliant with UL94            | VO                |
| Insulation resistance                                   | □500MΩ at DC 500V |
| Conductor material                                      | COPPER ALLOY      |
| Plating of conductor surface                            | Tin PLATED        |
| Connection data-IEC                                     |                   |
| Rated voltage (V)                                       | 630               |
| Rated current (A)                                       | 15                |
| Rated voltage (II/2)(V)                                 | 630               |
| Rated voltage (III/2) (V)                               | 320               |
| Rated voltage (III/3)(V)                                | 250               |
| Rated impulse voltage (II/2)(KV)                        | 4                 |
| Rated impulse voltage (III/2)(KV)                       | 4                 |
| Rated impulse voltage (III/3)(KV)                       | 4                 |
| Connection data-UL                                      |                   |
| Rated voltage (UL/CUL Group B)(V)                       | 300               |
| Rated current (UL/CUL Group B)(A)                       | 8                 |
| Rated voltage (UL/CUL Group D)(V)                       | 300               |
| rated voitage (OL/COL Group D)(V)                       |                   |
| Rated current (UL/CUL Group D)(A)                       | 8                 |
|   | 8                 |
| Rated current (UL/CUL Group D)(A)                       | 8<br>YES          |
| Rated current (UL/CUL Group D)(A)  Environment & Safety |                   |

## Approvals
