

# 2EHDVM-XXPWR

PCB Terminal Blocks > In tape-on-reel packing

Date:2025-08-03Version:V1

The web catalog is for reference only. Dinkle remains the right of product modification and engineering change of the design.

The final product is made according to engineering drawing.

### **Product Description**

Pitch: 5.08 mm, 300V, 20A

#### General information

| Short description                      | PCB Connector – Socket, Wave soldering |
|--|--|
| Category                               | PCB Connector – Socket                 |
| Pitch (mm)                             | 5.08                                   |
| Color                                  | Black (default)                        |
| Type of locking                        | With threaded flange                   |
| Soldering method                       | Wave soldering                         |
| Length (mm)                            | 5.08*(P-1)+15.24                       |
| Width (mm)                             | 8.47                                   |
| Height (mm)                            | 12                                     |
| Pin demensions (Thickness x Width)(mm) | 1.0x1.0                                |
| PCB hole diameter (mm)                 | 1.6~1.7                                |
| Number of positions                    | 02P~24P                                |
| Level                                  | Single level                           |

#### Material information

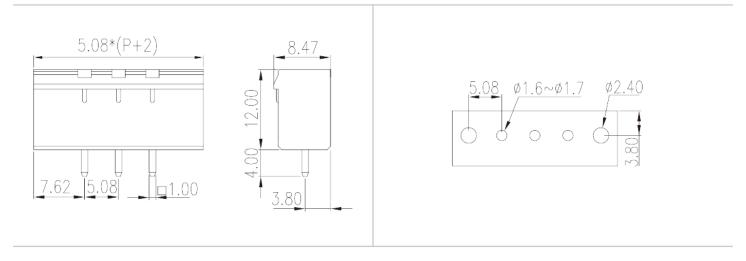

| Insulation material | PA |
|---------------------|----|
|---------------------|----|

| Insulation material group                    | I                             |
|--|-------------------------------|
| Flame retardant rating , compliant with UL94 | V0                            |
| Insulation resistance                        | $\Box 500 M\Omega$ at DC 500V |
| Conductor material                           | COPPER ALLOY                  |
| Plating of conductor surface                 | Tin PLATED                    |
| Connection data-IEC                          |                               |
| Rated voltage (V)                            | 630                           |
| Rated current (A)                            | 18                            |
| Rated voltage (II/2)(V)                      | 630                           |
| Rated voltage (III/2) (V)                    | 320                           |
| Rated voltage (III/3)(V)                     | 320                           |
| Rated impulse voltage (II/2)(KV)             | 4                             |
| Rated impulse voltage (III/2)(KV)            | 4                             |
| Rated impulse voltage (III/3)(KV)            | 4                             |
| Tightening torque with flange. max (N.m)     | 0.3                           |
| Connection data-UL                           |                               |
| Rated voltage (UL/CUL Group B)(V)            | 300                           |
| Rated current (UL/CUL Group B)(A)            | 20                            |
| Rated voltage (UL/CUL Group D)(V)            | 300                           |
| Rated current (UL/CUL Group D)(A)            | 10                            |
| Environment & Safety                         |                               |
| Finger protection (YES or NO)                | YES                           |
| Operating temperature. max (°C)              | 120                           |
| Operating temperature. min (°C)              | -40                           |
| UL Recognized                                |                               |
| Rated voltage (Group B)(V)                   | 300                           |
| Rated current (Group B)(A)                   | 20                            |
| Rated voltage (Group D)(V)                   | 300                           |
|  |                               |

**CUL** Recognized

| Rated voltage (Group B)(V) | 300 |
|----------------------------|-----|
| Rated current (Group B)(A) | 20  |
| Rated voltage (Group D)(V) | 300 |
| Rated current (Group D)(A) | 10  |
