DIN Rail Terminal Blocks > Screw Connection

Date:2025-08-03

The web catalog is for reference only. Dinkle remains the right of product modification and engineering change of the design.

The final product is made according to engineering drawing.

### **Product Description**

M5, 1000V, 100A, Beige (default)

#### General information

| Short description   | Single Level Feed-through Terminal Block |
|---------------------|--|
| Category            | Single Level Feed-through Terminal Block |
| Color               | Beige (default)                          |
| Connection method   | Screw Connection                         |
| Type of locking     | Rail mounting                            |
| Length (mm)         | 54.3                                     |
| Width (mm)          | 12                                       |
| Height (mm)         | 54.8                                     |
| Number of positions | □1P                                      |
| Level               | Single level                             |
| Connection points   | 2  |

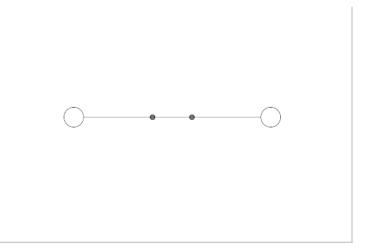

#### Material information

| Insulation material                          | PA |
|--|----|
| Insulation material group                    | I  |
| Flame retardant rating , compliant with UL94 | V0 |

| Insulation resistance  | □500MΩ at DC 500V |
