The final product is made according to engineering drawing.

### **Product Description**

Pitch: 7.62 mm, 300V, 30A

#### General information

| Short description                      | PCB Connector – Socket, Wave soldering |
|--|--|
| Category                               | PCB Connector – Socket                 |
| Pitch (mm)                             | 7.62                                   |
| Color                                  | Green (default)                        |
| Type of locking                        | Without                                |
| Soldering method                       | Wave soldering                         |
| Length (mm)                            | 7.62*(P-1)+7.62                        |
| Width (mm)                             | 14.3                                   |
| Height (mm)                            | 29                                     |
| Pin demensions (Thickness x Width)(mm) | 0.8x1.0                                |
| PCB hole diameter (mm)                 | 1.5~1.6                                |
| Number of positions                    | 02P~12P                                |
| Level                                  | Single level                           |
